Mr. Jim Crump

Every year the annual is dedicated to a faculty member which has shown his loyalty and deep concern for our school. We, the Annual Staff, feel that the dedication of the yearbook is truly a great honor.

This year Mr. Jim Crump is being awarded this honor for his overwhelming achievements as principal and his outstanding leadership of the student body. Thank you for your guidance, and may you and Dora High grow in greatness!

With the elements of good coaching, teamwork, quickness, pride, and the spirited support of Dora fans, the Bulldogs ended the '77-'78 basketball season with an impressive 25-5 record. Along the way, they captured three 1st place trophies in various tournaments. But more important, Dora captured the Walker County Championship. For the second consecutive year, Dora is No. 1 in the county!

Seventy Eight

Senior Class

I would like to prefix my remarks to this year's senior class by quoting the Greek philosopher Plato who wrote, "A good education consists in giving to the body and the soul, all the beauty and all the perfection of which they are capable." To know that to many of our seniors the process of formal education has ended, makes us as educators face the realization that the knowledge we have transmitted must be viable now and in the future. My hope is that we have been successful in this realization.

As our seniors remember their years at Dora High, I hope their memories will be of a school and staff that was civil to all, both intellectually and esthetically stimulating, and having a staff of teachers who avoided "the most deadly of sins, the mutilation of a student's spirit," and which instead, facilitated pleasure in learning. My best to you all.

Jim Crump

Seniors of '78

Many of the things that made your school days dear to you will be forgotten as the years pass by . . . cheering in the games, taking lecture notes, rushing to class, losing sleep over term papers . . . you will lose some of the drive and spirit that you now possess, and the memories of some of your most cherished acquaintances will be lost. With faith and confidence in the training you have received at Dora, that training will not be forgotten, but it will help you rise to unpredictable heights.
